

# “Local input ensures a good Wild Olympics Plan.”

-Gregory Johnson with son Cameron  
Team Leader/ founder, The Gregorian Group, Aberdeen

I believe joining forces toward a goal delivers the best result. At the Gregorian Group, we want to make Grays Harbor a better place to live, work and play. That's why I support the Wild Olympics Campaign. The plan will keep our water clean and our fish healthy. It will protect our ancient forests, rivers and access for the hunting, fishing and hiking we enjoy.

The Wild Olympics' process is a model to ensure all voices are heard and different concerns are addressed and met. The draft plan, designed by extensive local input, is being tailor-made by our community for Grays Harbor's diverse recreation, access and economic needs.

Stop by the display in our non-profit showroom in the South Shore Mall-Aberdeen. Everyone should have the opportunity to play a role in this important collaboration.
